

Kenbrook PTA Community Meeting Jan 16

7:00 Meeting called to order

7:01 Jen Williams Motion to waive the reading of the minutes, they are posted on the Kenbrook Webpage for everyone to view. Second by Danielle I

7:03 President

Knitting is doing great, added a second session. It will be held on Mondays and Thursday to grades 2-5

Dance is coming up. Open to all grades, wear comfy clothes. It will be ran by a North Farmington High student that has specialized in Dance and will be chaperone by Brandye and the Student's older sister whose kids go to Kenbrook. Cost will be \$20. It is a 5 week class.

Potbelly fundraiser raised \$70  
California Pizza Kitchen Next week  
Spirit Week next week

Karate has 3 openings for the current session

Spelling bee is being held on the 18th

Movie night went well. We might do another movie night later in the year.

One school One book is coming up.

Talent show will be held at the Farmington High Auditorium. May 23 will be the dress rehearsal and May 24 will be the actual Show. Auditions will be held 1 month prior so a schedule can be made.

Drop off line is in need of volunteers and needs guidance. People are not pulling up, people are parking in the pick up line or the handicap spots and they are not handicapped. Pick up line as well is a mess.

Principal Report.

This winter has been an Adventure.

Snow and Ice have been an issue this year. The school is in communication with the contractor and maintenance staff who takes care of the sidewalks and parking lots. The playground is very icy and the school has had some injuries this week.

We have had a choppy schedule lately with the holiday and the cold weather days, thank you to all the parents for making sure their kids are making it to school.

Please keep kids home if they are sick. There has been a lot of flu and other viruses going around. Please keep kids home for 24 hours after a fever or throwing up. 24 is on antibiotics.

Nwea testing is going on now. It happens 3 times a year. Grades 1-5 take it and are tested on Math and Reading. Kindergarteners take the MLPP

The School is excited about all the enrichments being offered and thanks the PTA and Parent volunteers who are making this possible.

April starts construction on the front of the school. Construction will be completed in phases and all are currently out for bid. August will be when the major construction effecting teachers will be.

Treasurer

We closed out the fun run. We made about \$12k after expenses. Currently working on revising the budget.

Kim Sharplin- Science Fair

Science Fair is Wednesday Feb 7th. Has a CSI theme. Who stole the books from the library. There will be 6 stages. 1. Blood typing, 2. Finger Printing, 3. Lip Prints, 4. Chromatography, 5. Footprints, 6. DNA.

All answer forms will be collected and winners will be chosen at random. The answers do not need to be right to participate.

Math Pentathlon - Sara did not show. We only have a 2nd and 3rd grade team and they will not be allowed to take part in the tournament. The school is still looking for couches for the other grades.

Meeting adjourned 7:55
