Koala Connector

FROM THE PTA

I blinked, and it was December. This month has already had some memorable moments, starting with the Pistons who came for a visit. Their message of perseverance and always trying your best I think stuck with our Koalas. The Pistons had us dancing (our kids and some of the teachers can move), laughing, and even competing in shooting competition between the students and faculty. Ask your children who won and why!

We also had a yummy outing at California Pizza Kitchen! I hope you all enjoyed it as much as my family did. Our favorite thing to get other than the pizza is the butter cake. These outings are always fun because the kids love seeing their friends outside of school. We will round up this month with our Lifetime PJ Jam. The kids get to eat and have a ball in a supervised setting while you the parents get to let your hair down, rest, hang or shop.

Our next big event is the Science Fair. We want even more Koalas to explore a science concept and share it with their classmates and friends. We will be hosting a Michigan Science Center hands-on assembly early next year to inspire us. I also hope that you and your children can start thinking about questions or topics they find interesting over the winter break.

I want to thank my simply amazing PTA crew for their support, especially in the last month. It was truly appreciated. I feel blessed to have friends like you.

Lastly, this wouldn't be a Brandye letter without encouraging those who aren't PTA members to join us. Look for the membership link at the bottom of every Kenbrook listserv. Just click and sign up! Help us be One Voice for Every Child at Kenbrook, whether you do it with your membership fee or by participating in PTA meetings or events. Please give us your support.

Wonderful Blessings,

~Brandye

CAR LINE RULES

Koala Chauffeurs, we do not have words to express the profound disappointment for drop-off and pick-up rule violations. Koalas should know to BE SAFE!

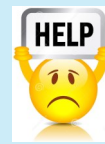

- **Koalas need to be ready to get out car line vehicles, and they must exit on the passenger side of the car.**
- **Drivers must stay in the car and pull up as far as possible.**
- **The bus loop is for BUSES.**
- **It is illegal to turn left into the parking lot at drop off and pick up time AND to use the other lane to drive into oncoming traffic.**

FH Police Officers will be ticketing people who violate the law.

LAST CALL FOR BOX TOPS

The fall Box Tops collection is almost over. We can earn a lot of money from those Box Tops! Remember to send them in a baggie marked with the teacher's name by Dec. 20. Which class will bring in the most Box Tops and win a PJ Party in January??

HELP NEEDED

The Kenbrook Publishing Center aims to publish a keepsake writing project for every Koala every year. We need at-home typists and folks who can help with assembly and distribution of works in progress during the school day or on some Tuesday evenings from January–May. Interested? Email publishing@kenbrookpta.com.

We also need a few co-chairs to work together to help the PTA plan and coordinate the Variety Show and the Spelling Bee. Without the heart and dedication of volunteers, these programs will fall to the way-side. The Variety Show is May 24, and planning begins in February. The Bee has been postponed to spring, depending on the availability of volunteers. Interested? Email pta@kenbrookpta.com.
